

Step1) if Admin Enter Admin username and password or click on Calculate Expenses for customer

The screenshot shows a web application window titled "TOLL MANAGEMENT SYSTEM". The interface is divided into two main sections. The top section, labeled "(For ADMIN ONLY)", contains a login form with fields for "Username :" and "Password :", and a "Login" button. The bottom section, labeled "For CUSTOMER", contains a "Calculate Expenses" button and a sub-label "(Generates total expenses for your trip)".

TOLL MANAGEMENT SYSTEM

(For ADMIN ONLY)
Enter credentials here :

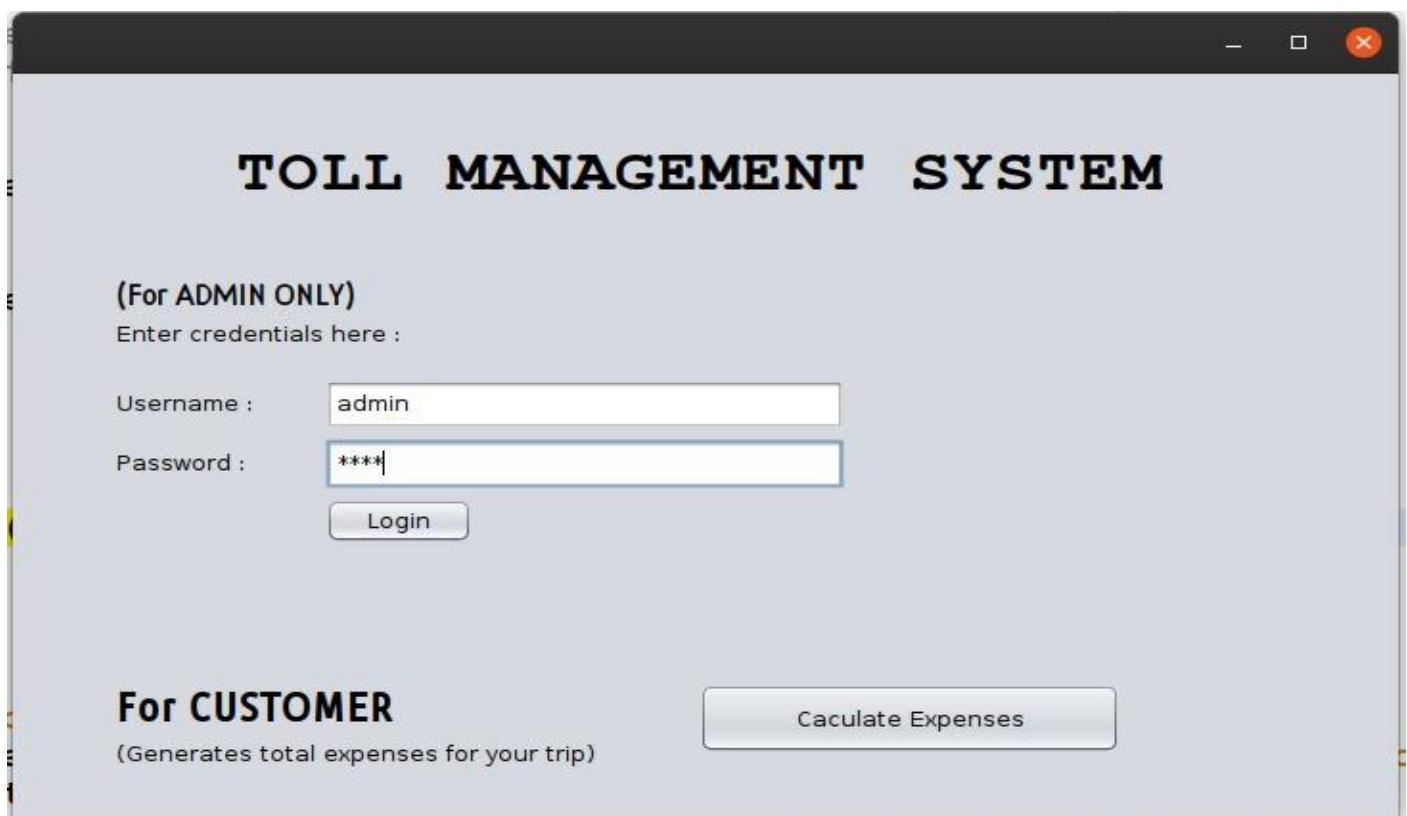

Username :

Password :

Login

For CUSTOMER
(Generates total expenses for your trip)

Calculate Expenses

This screenshot shows the same "TOLL MANAGEMENT SYSTEM" login page, but with the "admin" username and "****" password entered into the respective fields. The "Login" button is still present and ready to be clicked.

TOLL MANAGEMENT SYSTEM

(For ADMIN ONLY)
Enter credentials here :

Username :

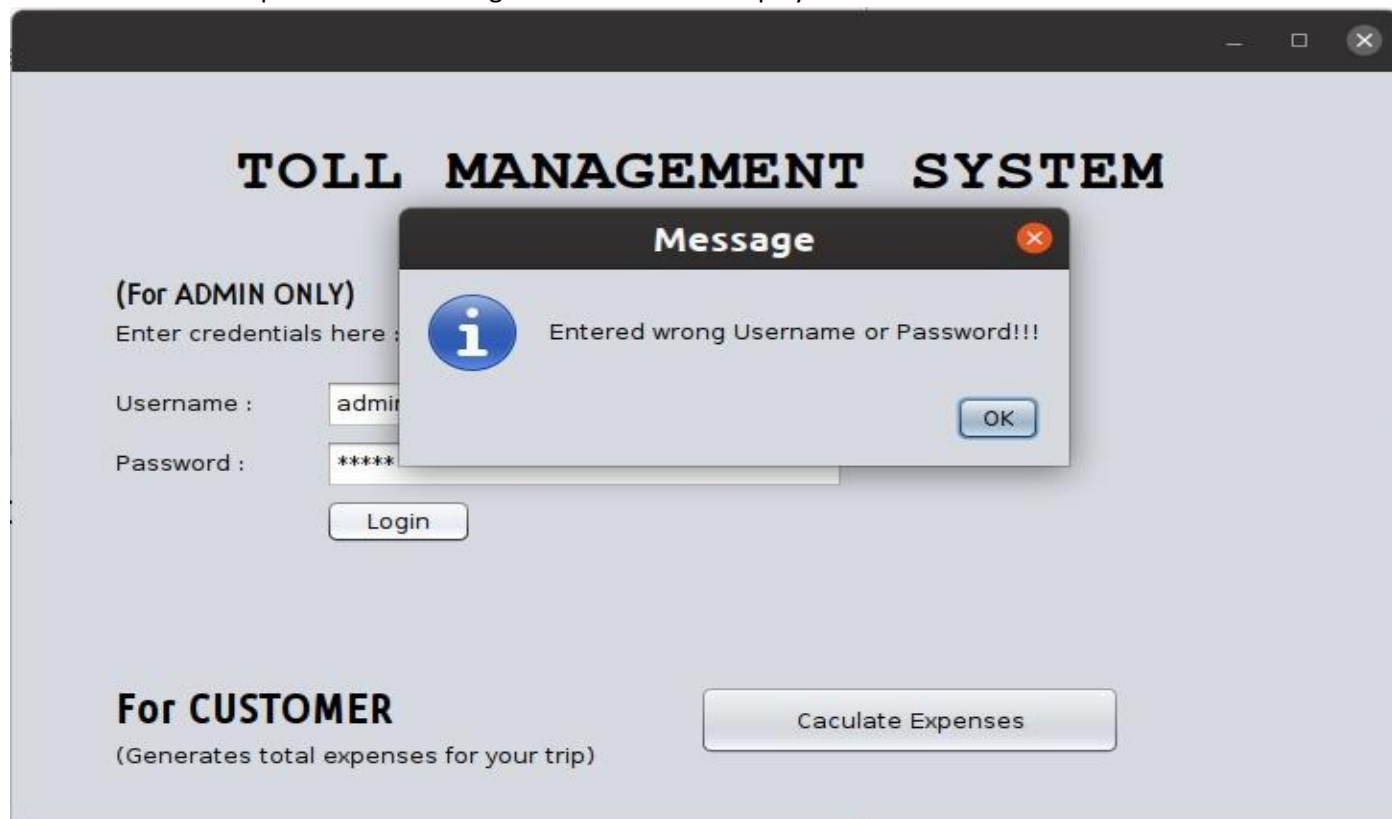

Password :

Login

For CUSTOMER
(Generates total expenses for your trip)

Calculate Expenses

If entered username password are wrong then error will be displayed

The screenshot shows the 'TOLL MANAGEMENT SYSTEM' login interface. A modal message box is displayed in the center, stating 'Entered wrong Username or Password!!!' with an 'OK' button. In the background, the login form for administrators is visible, with the username field containing 'admin' and the password field containing '1234'. Below the login fields is a 'Login' button. At the bottom of the screen, there is a section for customers with the text 'For CUSTOMER (Generates total expenses for your trip)' and a 'Calculate Expenses' button.

TOLL MANAGEMENT SYSTEM

(For ADMIN ONLY)
Enter credentials here :

Username : admin

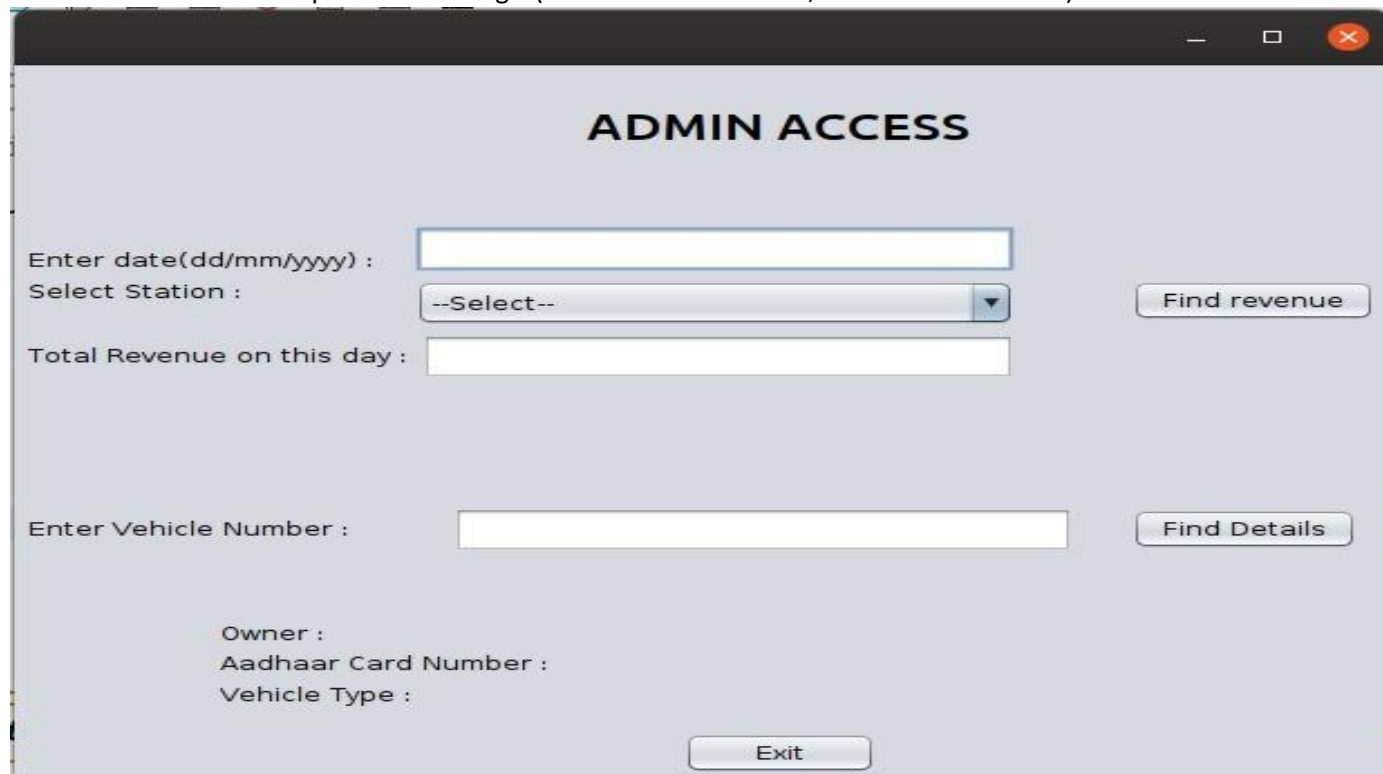

Password : 1234

Login

For CUSTOMER
(Generates total expenses for your trip)

Calculate Expenses

If entered username and password are right(USERNAME="admin" ,PASSWORD ="1234")

The screenshot shows the 'ADMIN ACCESS' screen. It features several input fields and buttons. At the top, there is a title 'ADMIN ACCESS'. Below it, there are fields for 'Enter date(dd/mm/yyyy)', 'Select Station' (a dropdown menu), and 'Total Revenue on this day'. To the right of these fields are buttons for 'Find revenue' and 'Find Details'. At the bottom, there is an 'Exit' button. The 'Find revenue' button is highlighted with a yellow border.

ADMIN ACCESS

Enter date(dd/mm/yyyy) :

Select Station : --Select--

Total Revenue on this day :

Find revenue

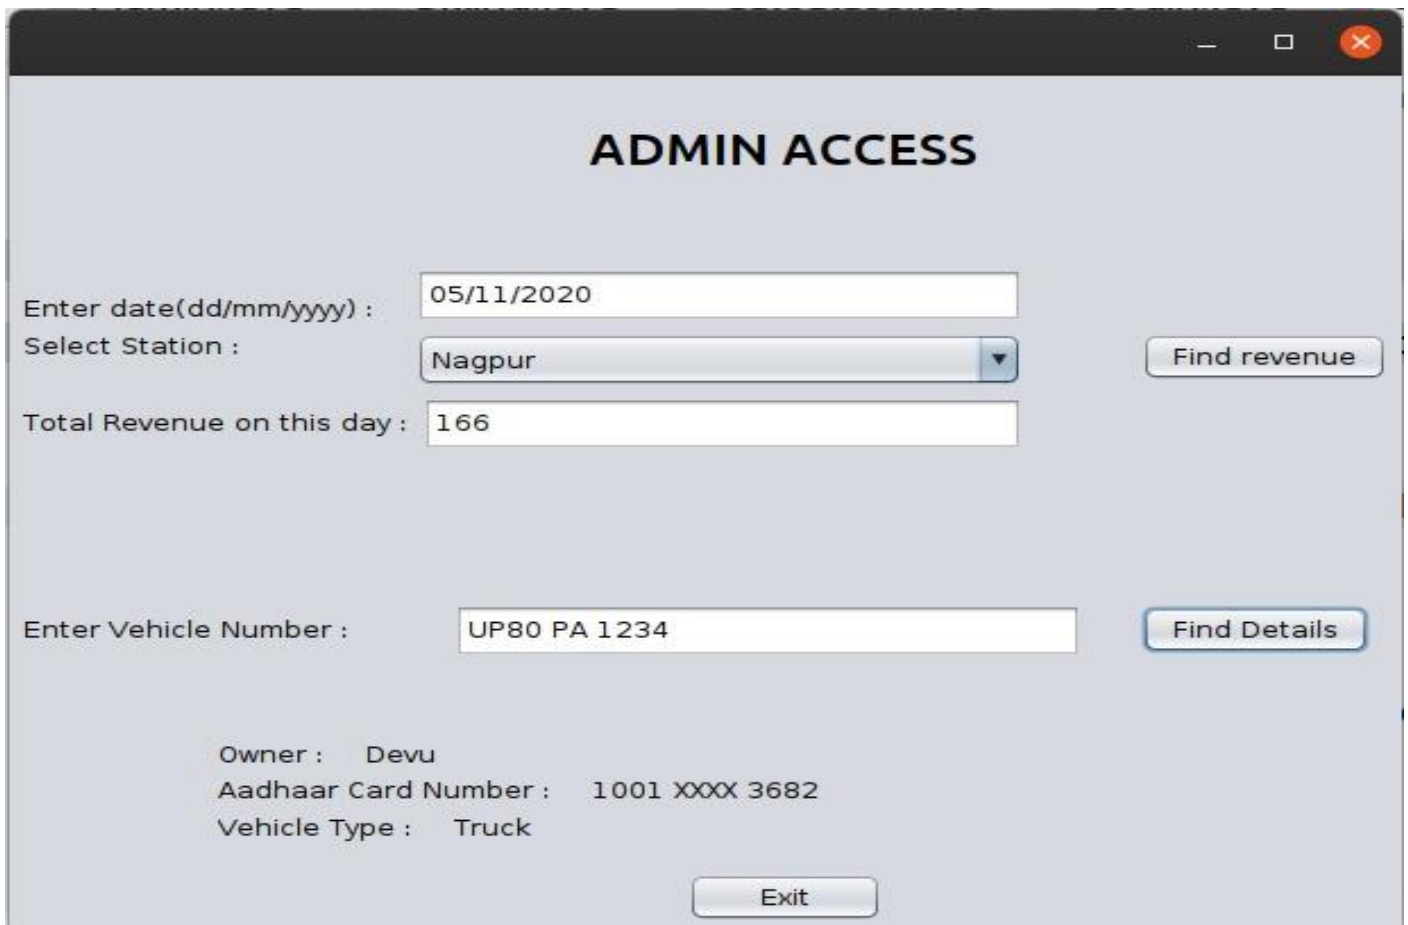

Find Details

Owner :
Aadhaar Card Number :
Vehicle Type :

Exit

then the admin window is loaded on screen where the admin can view

- 1) the total revenue of the day at a particular toll station
- 2) details of the vehicle using vehicle number

The ADMIN ACCESS window features a title bar with standard window controls. The main content area has a light blue background. At the top, the title 'ADMIN ACCESS' is centered in bold black text. Below the title, there are two main sections. The first section for revenue calculation includes a text input for 'Enter date(dd/mm/yyyy)' with the value '05/11/2020', a dropdown menu for 'Select Station' with 'Nagpur' selected, and a 'Find revenue' button. Below these, a text input shows 'Total Revenue on this day : 166'. The second section for vehicle details includes a text input for 'Enter Vehicle Number : UP80 PA 1234' and a 'Find Details' button. At the bottom, the vehicle information is displayed: 'Owner : Devu', 'Aadhaar Card Number : 1001 XXXX 3682', and 'Vehicle Type : Truck'. An 'Exit' button is located at the bottom center.

ADMIN ACCESS

Enter date(dd/mm/yyyy) : 05/11/2020

Select Station : Nagpur

Find revenue

Total Revenue on this day : 166

Enter Vehicle Number : UP80 PA 1234

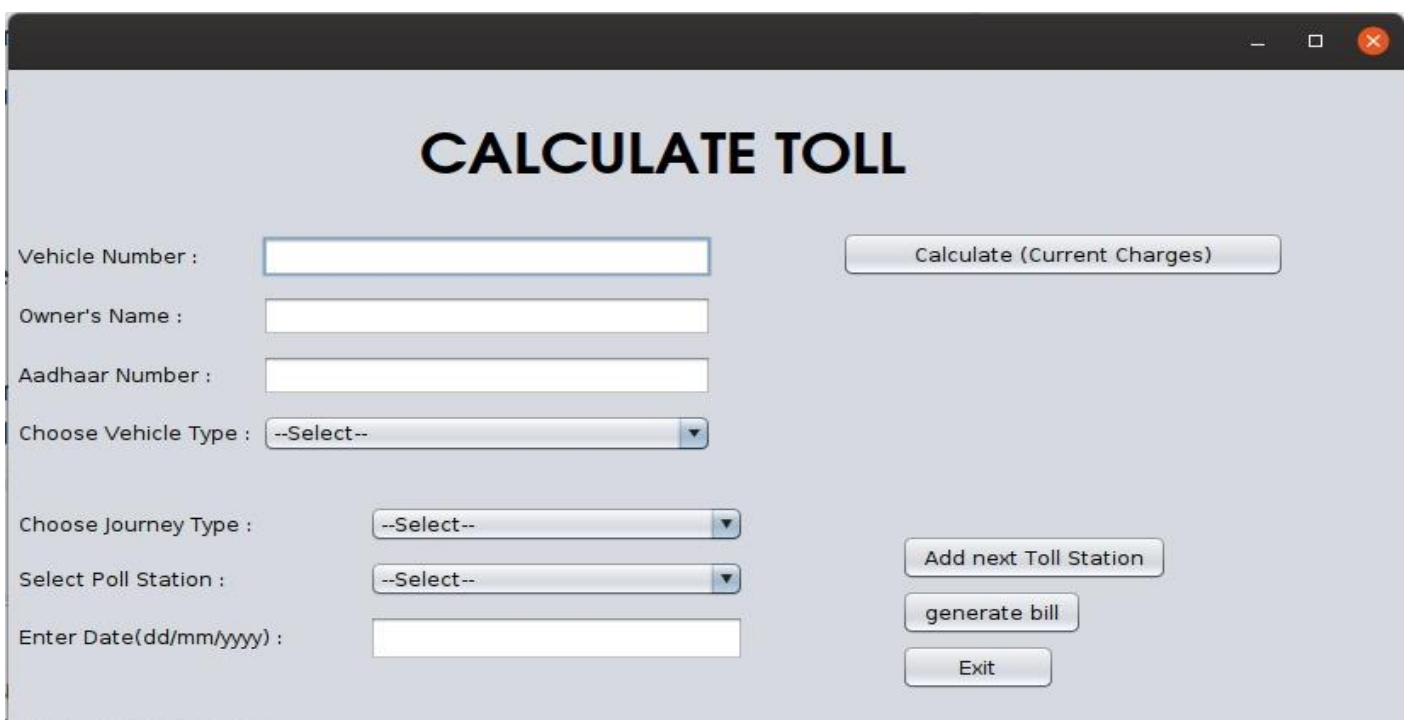

Find Details

Owner : Devu
Aadhaar Card Number : 1001 XXXX 3682
Vehicle Type : Truck

Exit

If in step 1 calculate expenses is selected then the following window will be displayed where the station person can

- 1) Enter details of the vehicle and
- 2) Enter transaction details for the vehicle

The CALCULATE TOLL window has a title bar with standard window controls. The main content area has a light blue background. The title 'CALCULATE TOLL' is centered at the top in bold black text. Below the title, there are two columns of inputs. The left column contains: 'Vehicle Number :', 'Owner's Name :', 'Aadhaar Number :', 'Choose Vehicle Type : --Select--', 'Choose Journey Type : --Select--', 'Select Poll Station : --Select--', and 'Enter Date(dd/mm/yyyy) :'. The right column contains: 'Calculate (Current Charges)', 'Add next Toll Station', 'generate bill', and 'Exit'.
